Dear Sir

On behalf of the Elizabeth Chifley Pre-School Board, I would like to take this opportunity to express our sincere thanks for the manner in which your employees Viv and Lyndon carried out the work they recently completed at our Pre-School.

The way in which they worked in with our staff to allow the whole process to run smoothly around the children is a credit to the professionalism your company shows.

Thank you once again for the quality of the work and the professional manner in which it was carried out, the board, teachers, children and parents are extremely grateful.

Yours sincerely

Phillip Newton  
Secretary  
Elizabeth Chifley Pre-School Board
