Friday 29th January, 2010

Dear Brad,

We wanted to write (yet again) to thank you and the team for the 2nd stage of our playground upgrade.

We recognise that the job was specifically fitted into a tight timeframe to work in with our holiday closure and the fact that the job was fully completed prior to us re-opening for the start of Term 1 was very much appreciated.

Several Board members as well as many parents and staff have commented on the wonderful improvement (especially after walking barefoot on the grass!) and we look forward to having further business dealings with Synthetic Grass & Rubber Surfaces (under your "professional" leadership) in the future. Please again pass on our compliments to all of the tradesmen involved.

Please find attached the final payment for this project.

Thank you again and we look forward to working with you again in the future.

Yours sincerely,

Sue Burling, Director
Forestville Preschool
