Thursday 19th November, 2009

Dear Brad,

We wanted to write and let you know that we could not have been happier with the recent installation of our softfall surfacing and to thank you and your team for your hard work, professionalism and attention to detail.

Since returning after the holiday break when the playground upgrade was done, we have received so many positive comments from both, staff, parents and members of our Board of Management, in reference to the enormous difference the new surfacing has made to the playground.

We especially wanted to pass on to Synthetic Grass & Rubber Surfaces our compliments and appreciation for the dedication of the team we had working here. All of the tradesmen were courteous, meticulous in leaving the grounds clean and tidy, highly professional and thorough in the completion of their work.

We look forward to your company starting the 2nd half of this renovation in the January shutdown period and would like to request the same team to undertake this work.

Thank you again and we look forward to the next stage of our renovation.

Yours sincerely,

S. Burling

Sue Burling, Co-Director
