AUSTRALIA PTY LTD

## OUR COMPANY

*Safety, Sporting and Leisure Surfaces*

## QUALITIES

Synthetic Grass & Rubber Surfaces Aust. have been the qualified specialists of safety surfacing for Child Care Centres, Kindergartens, Pre-Schools and Schools for over 25 years. We understand the need to provide children with a surface which is not only safe but also visually attractive to encourage physical activity and enjoyment.

**S**afety systems that fulfill all the requirements of the Australian Standard ASNZ4422:1996

**G**uaranteed Installation Compliance Certificates for all soft fall surfaces.

**R**espected name within the industry since 1983.

**S**trong customer service, quality installations & complete solutions - we offer it all!

### RUBBER WETPOUR SURFACE:

- Non toxic surface
- Environmentally friendly
- Dangerous items are clearly visible for easy removal
- Visually attractive
- Slip resistant
- Extremely durable
- Easily cleaned
- Disabled and mobility friendly

### SYNTHETIC GRASS SURFACE:

- Visually attractive
- Long wearing
- Soft underfoot
- Easily cleaned
- Drains quickly after rain
- Very low maintenance
- Cost effective safety solution

Both products are an amazing way to transform a dull, uninteresting location, into a safe and stimulating learning environment for children of all ages.

We offer other services such as providing sand pit covers, adjustable pole protectors, road signs for your bike tracks ie Give Way, Stop signs and even traffic lights.
