PRODUCT AND PRICING NOTES

- Items not held in stock can be ordered in, with an approximate 4-week turnaround.
- All playshapes are 24mm pile height as standard. Short (15mm) and soft (20mm) piles, and other designs or play items, are made to order on request.
- Colours shown are a guide only and may vary depending on the yarn colour chosen.
- Playshapes are manufactured in Europe and prices are based on the current exchange rate.
- All prices are ex factory Melbourne, plus GST.

ABOUT SYNTHETIC GRASS & RUBBER SURFACES

With 40 years of industry experience, SGRS supplies playshapes manufactured in Europe from premium yarn, chosen for its colourfastness and durability outdoors. The range spans classic hopscotch and giant chess boards, numbers and alphabet sets, and nature-inspired novelty shapes, so schools, councils and play spaces get the original, and the best.
